

CCHS

FAMILY DAY CONFERENCE

Chessington World of Adventures, Surrey
Saturday 23rd June 2012

The CCHS Support Group would like thank the Yorkhill Children's Foundation, Avery Biomedical Devices and Merlin's Magic Wand for their funding towards this project. Without their generous support this day would not have been possible.

We would also like to thank Dr Martin Samuels, Professor Peter Fleming and Professor Johannes Schöber for accepting our invitation to join us today and leading the discussions.

Also thanks to Jane Noyes who provides us with invaluable help and advice towards the organisation and planning of the day.
